Alabama Metal Industries Corp. (AMICO) has hired Kevin Hendry in greater Los Angeles as their Manufacture's Rep for Southern California & Las Vegas areas. Kevin joins AMICO after spending 20 years as a Journeyman in the plastering industry, beginning his apprenticeship back in 1990. Afterward, he worked for many interior contractors in southern California before settling in with Martin Bros./Marco Wall in *Gardena, CA* as Construction Foreman for the last 10 years. Hendry will handle all of AMICO's metal lath & accessories including zinc alloy, vinyl & stainless steel. Additionally, Hendry will oversee sales for AMICO Security Mesh systems in the same marketplace. He will utilize AMICO's manufacturing & operations facility located in Fontana, CA. Hendry can be reached at 760-559-3351, motokev@yahoo.com
