Dear Contractors/Partners,

The Southwest Regional Council of Carpenters would like to invite you to an Interior/Exterior Systems meeting at our Buena Park Training Center. The purpose of the meeting is to create an open forum where Labor and Management can discuss industry issues and how the Union can best apply its resources to better help our contractors/partners be more competitive. We will be hosting interior/exterior systems contractor meetings on a quarterly basis.

This meeting will also serve as an introduction to our monthly General Contractor Superintendent meeting. Your General Superintendents are highly encouraged to attend. These monthly superintendent meetings will serve to better address contractor needs for workforce recruitment and retention, training and safety certification maintenance.

The meeting will be held at:
