Did you know FCA International has Model Delinquency Collection Procedure and Model Employer Audit Procedure Language?

Recommended by contractors on the Business Practices Committee, FCA created and has made available model delinquency collection procedures and model employer audit procedures that can be used and/or referenced for your local fund. Those documents are available on our website under the Member Resources tab, in the Trustee Resources section.

- [FCA Model Delinquency Collections Procedures](#)
- [FCA Model Employer Audit Procedures](#)

Please keep in mind; these documents are for educational purposes only. Fund counsel should always be consulted when a trust fund adopts any written policy. If you are interested in getting more details about the collection and audit procedures, please contact me at any time.

That's it for this week, see ya!
