

9TH ANNUAL RON HUFF CHARITY TOURNAMENT

March 9, 2020

Hacienda Golf Club
La Habra Heights, CA

[Please see the other side of this flyer for more details.]

ABOUT THE TOURNAMENT

Ron Huff was known throughout the wall and ceiling industry for his warm heart, infectious personality, and dedication to his customers and friends. Thirty years ago, he persuaded the WWCCA Board of Directors to host a charity golf tournament and they are proud to continue this tradition in Ron's honor.

The Ron Huff Charity Golf Tournament is an event held annually to raise money for the Los Angeles Chapter Huntington Disease Society of America (HDSA).

What is Huntington's Disease?

Huntington's Disease is an inherited brain disorder affecting the central nervous system, resulting, over a period of years, in the loss of mental capacity and physical control. It is

ultimately fatal. The devastating effects are passed from generation to generation with each child of an affected parent having a 50/50 chance of inheriting the disease.

HDSA is the only national voluntary agency providing services to HD patients and their families. Until there is a cure, there must be care.

SPONSORSHIP

Your sponsorship helps fund important research and honors the memory of Ron Huff's dedication in finding a cure to Huntington's disease.
